

What's in a Name?

All of us know that names are given to babies so that as they grow into children and adults, everyone else will have a way of recognizing them and communicating with them. Let's face it, if we had to call everybody, "hey you", the world would be an even more difficult place to live in than it is now.

Well, the same can be said for our spiritual names. All of us receive our Christian Name when we were baptized. By taking the name of a Saint, we recognize our "rebirth in the Spirit." We also recognize that we have joined God's family, the Church, and all new members of a family receive a name.

In Confirmation, we are strengthened with a special grace of the Holy Spirit to become mature Christians. Like baptism, our souls receive a special mark on them. In recognition of this, we take on a Confirmation Name. We can use the Saint name we used at baptism or choose a name of any recognized Saint. The Saint whose name we pick "provides a model of charity and we are assured of their intercession."

For help in finding a name, try your parish Library, a local catholic book store, or go online and find one of several catholic saint sites.
